Psylicious Radio will be relaunching fully on Friday 6th September 2019. The radio show will return weekly, each Friday with all shows uploaded to our Psylicious Radio Mixcloud page.

Psylicious Radio Show History

Psylicious Radio was launched in 2007 and then moved over to the AudioAddictz Psy Trance Internet Radio station in 2008, based in the UK, serving a World Wide audience with the many wonders of Psychedelic trance music.

AudioAddictz ran it's station continuously 24/7 and featured some major shows with up to 40 Acts and DJs.

Psylicious Radio was featured every last Wednesday of the month before running it's shows weekly.

Guest mixes & sets are featured on each Psylicious Radio show, past guest DJ mixes and Producer live set's have included names such as; Auricle, BPM, Doctor Spook, Ed Tangent, N.A.S.A., O.O.O.D, Psykia, Talamasca, Twisted ReAction, Safi Connection as well as the "Resident Showcase" and "Label Showcase" concepts that have drawn listeners to shows each night.

Our concept & show format will remain the same as it always has done so if you are a DJ or producer wishing to have your mixes and sets showcased then please make contact through the Psylicious Website contact page, selecting Radio in the subject option.
