Bluezone Corporation releases 'Anomaly - Dark Sound Effects' a new downloadable sample pack covering a vast selection of unnerving ambiences and drones, oppressive dark stylized synth textures, massive cinematic impacts, experimental transitions / whooshes and dark sound effects. Perfect for composers : This sound library was created from hardware synthesizers and field recordings, then processed and twisted to give you complex and hyper-detailed ambiences, drones and textures.

All samples are perfect for modern cinematic music productions, Ambient and Experimental musical projects, Trailers and more. This royalty-free collection features 990 MB of high quality sounds ready to be injected in your commercial productions. 'Anomaly - Dark Sound Effects' comes to you in 24-bit high definition and is licensed to you as Royalty-Free so you can use it in your commercial compositions at no extra cost.
